Heart Aware Program	Program available free on www.clarkmemorial.org . This is a 7-minute survey that asks questions to help establish your cardiac risk factors based on your specific answers.	Education
Linen Cart	The linen cart was moved to a double closet on the left in the hall where old room 16 was. This is also the hall going into the new behavior health area.	Update
Kiddos	An ER nurse wanted to recognize a Paramedic who brought in a DNR patient from an extended care facility. This paramedic assisted the ER staff and when all was done held the patient's hand during death. This patient did not have any family and the nurse whom had worked at other facilities had never witnessed such compassion from a pre-hospital provider.	Awesome
