Clark Memorial Hospital’s mission is Making Communities Healthier®. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are creating a legacy of care for our neighbors today and for generations to come. Here are just a few ways we made the communities of southern Indiana healthier in 2017.

Delivering high quality patient care and supporting our physicians
The most important contribution we make to our community is providing high quality care close to home. Quality and service are at the center of how we care for our patients, and we continually invest in our facility to ensure we can meet the healthcare needs of our community. In 2017, we made $4,002,885 in capital improvements, including 3D mammography technology; transitional care unit room renovations; expansions of our NICU, IOP and hyperbaric wound care; parking lot light replacements and roof repairs.

Inviting the best physicians into our community and supporting them also is a key driver of our efforts to ensure access to high quality care and service. During the past year, CMH added 26 providers in anesthesiology, cardiology, emergency medicine, ENT, neonatology, gastroenterology, nephrology, oncology, pain management, plastic surgery, radiology, teleradiology and urology.

Creating excellent workplaces for our employees
We strive to create an environment where talent is recognized, job satisfaction is valued and our 1,375 employees can effectively use their skills in providing high quality care and service; and we managed and distributed an annual payroll of $85,595,785.

Taking a leadership role in the community
We are proud to be a leader in our region. Supporting local organizations and delivering healthcare to all of our neighbors, regardless of their ability to pay, are foundational to our commitment to the overall well-being of our community. In addition to numerous sponsorships and charitable gifts, we delivered more than $6.57 million in charity care to those in need.

Being fiscally responsible
Our commitment to ensuring fiscal responsibility extends both to our hospital and to the community. In 2017, we paid a total of $1,835,163 in taxes.

Thank you for your continued support as we continue to make our community healthier in 2018 and beyond.

At Clark Memorial Hospital, teaming with Norton Healthcare and LifePoint Health has given us the ability to grow our expertise and expand our services and facilities so that we can provide the best possible care close to home, without sacrificing our compassionate approach and our investment in the community. You are the reason we strive to deliver the highest quality care possible. Thank you for choosing CMH for your healthcare needs. It is a privilege to serve you.

CMH hosted a health fair for members of the community.

CMH staff Go Red to raise awareness for women's heart health.
**SPONSORSHIPS AND DONATIONS**

It was our pleasure to be able to support the following activities and organizations during the past year:

- American Heart Association
- Clark County YMCA
- Greater Clark, West Clark and New Albany-Floyd County Community Schools
- Hosparus Health
- Indiana University Southeast (IUS)
- IVY Tech Community College
- Jeffersonville Police and Fire Departments
- Leadership of Southern Indiana
- One Southern Indiana
- Relay for Life
- United Way
- Various local little leagues, churches and neighborhood associations

In addition, the hospital held 185 community outreach events, touching 16,125 lives, conducted more than 4,775 health screenings, distributed 230 colon cancer screening kits and gave 260 flu shots.
