Our mission of Making Communities Healthier® has always been central to the contributions we make to southern Indiana. As our region found itself impacted by the COVID-19 pandemic, that mission became even more critical to the well-being of our community. We are proud to be part of a national healthcare network that provided quality care for more than 20,000 COVID-19 patients in 2020 – including those here at home. LifePoint Health’s continued support – and yours – allows us to create places where people choose to come for healthcare, physicians want to practice and employees want to work. As we look ahead to a bright future, we look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

— Martin Padgett, CEO

## In 2020, we...

...added 62 employed, affiliated, telehealth and temporary providers

**Inviting the best possible providers** into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in a number of specialties, including orthopedics.

...made nearly \$4.8 million in capital improvements

**By continually investing in our facilities,** we’re helping to ensure that we continue to meet our community’s healthcare needs. This year’s investments included equipment replacements, building improvements and ventilators.

...distributed a payroll of \$87,317,414 to more than 1,300 employees

**We strive to create an environment** where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$21.4 million in services to those in need

**Delivering care to all of our neighbors,** regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$17,804,467 in taxes

**We are proud to be a leader in our region,** and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
